Mislabeled

I just had an opportunity to read your Jan. 23, page-one article "Security Loop-hole—East Bloc Businessmen Freely Come and Go in U.S. Defense Areas." In the article I have been identified as a former "Yugoslavian intelligence officer" and "the Soviet-trained former intelligence agent." Both descriptions are inaccurate since I have never been trained by the Soviets and have never been a Yugoslavian intelligence officer. My clarification should not be construed as an attempt to downgrade your article or question its content.
